

## **Social Distancing Policies – Events 2020-21 Academic Year**

In an effort to promote and maintain the health and well-being of our students, faculty and staff, Syracuse University is implementing the following protocols related to in-person events in compliance with recommendations from the Public Health Committee and social distancing expectations.

### **Campus Events**

1. No outside speakers, performers or other artists will be permitted to conduct in-person programs or events on campus.
2. The capacity of event spaces cannot exceed 50% of the original total room capacity to the extent that participants can maintain 6 feet of social distancing.
3. Chairs will be stationed 6 feet apart and markers will be placed on the floor for entry and exit lines for programs in which participants are expected to stand.
4. All participants will be expected to check into the venue by swiping their SUID card. No SUID = No Entry.
5. Individuals who are feeling sick may not attend the event.
6. Food will not be permitted at events.
7. Participants will be expected to wear a mask or face covering at all times.
8. Sanitation stations should be set up at the entrance and throughout the event space to promote hand sanitizing.
9. Separate entry and exit paths should be established where possible.
10. Signs should be displayed to remind participants of social distancing measures.
11. The event host is responsible for ensuring that participants adhere to social distancing expectations and for asking participants to leave if they violate these expectations. That person should be identified and stationed in a visible area to serve as a resource if a participant feels unexpectedly ill.
12. Failure to adhere to social distancing policies will result in a participant's removal from the program. Students who violate these policies will be subject to referral to the Office of Student Rights and Responsibilities.
