

**INTERDISCIPLINARY GRADUATE NEUROSCIENCE COONCENTRATION (I-GNC)
Student Membership Form**

Thank you for your interest in the INTERDISCIPLINARY GRADUATE NEUROSCIENCE CONCENTRATION (I-GNC). Please complete this form and send to Dr. Sandra Hewett (shewett@syr.edu).

Please provide the following information:

Your Full Name: _____

Home Department: _____

Faculty Advisor: _____

Your E-Mail Address: _____

SUID#: _____

Office Location: _____ Office Phone: _____ Office Fax: _____

Lab Location: _____ Lab Phone: _____ Lab Fax: _____

To earn a Concentration in Neuroscience, please understand that as a member of the I-GNC you must:

- a) Be in a home department that offers the Neuroscience Concentration in conjunction with their PhD program. (currently, Psych, CSD, Bio)
- b) Complete the following Course Requirements:
 - Advanced Neuroscience BIO 607 (3 credits) — Spring yearly
 - Cognitive and Applied Neuroscience PSY 777 (3 credits) — Fall or Spring (every other year)
 - Interdisciplinary Methods in Neuroscience NEU 614 (0-3 credits) — Spring (every other year)
 - Readings in Neuroscience NEU 613 (0-3 credits) — Fall (every other year)
- c) Provide your annual progress report – prepared for your home department – and a copy of your transcript for yearly review by the I-GNC Student Progress Committee.

In addition, students are expected to:

- d) Present at least one special seminar and participate in other research days organized or sponsored by the I-GNC during your tenure as a student.
- e) Attend I-GNC sponsored seminars given by outside speakers, I-GNC graduate students, postdocs, and faculty

And are highly encouraged to:

- f) Participate in research development enrichment opportunities offered by I-GNC, the Office of Research, and/or the Graduate School, as appropriate.

If you have any questions or concerns, please contact Dr. Sandra Hewett (shewett@syr.edu).
