

# Inclusive Programs Distribution (Smiley Face) List - Spring 2023

- This list is for picking liberal arts distribution courses for the 8 requirements in the Liberal Arts Skills & Distribution block in Degree Works.
  - A maximum of 6 of the 8 distribution courses may also be used in your concentration.
  - For a course to double count in your concentration, it must have a smiley face in your concentration's column.
  - You need a minimum of 6 upper division (numbered 300+) courses for your concentration
- Concentration courses that aren't also meeting one of the 8 distribution requirements do NOT need to (but can) come from this list. See guidelines on your concentration checklist.
- See course Prerequisites on MySlice (part of the course detail). Selected Topics sections (ending in "00") may not have Prerequisites listed on MySlice, or might have Prerequisites mentioned under "notes."
- Be prepared with some choices and alternatives. Your first choices may be closed!
- The same course may be listed in more than one section of the distribution list. However, you may NOT use the same course to meet two different distribution requirements.
- When you register, be sure course numbers AND course titles match the list.
