

Newhouse 3
Room 251

The diagram shows a rectangular room with a thick grey border representing walls. On the right side, there is a vertical strip representing a window or door frame. In the bottom right corner, there is a rectangular area labeled 'teaching station' with a thick black border. Below this area, the text 'White board' and 'Projector board' is written. Red curved arrows are drawn at the top-left, top-right, and bottom-right corners of the room, pointing towards the center. The floor is represented by a light grey area with some rectangular patterns near the bottom edge.
