Searching for Courses

Open your browser to: [2017-2018 Course Catalog](#) or log into <https://myslice.syr.edu> and select "SU Online Course Catalog" in the Student Services section.

For example: You are a graduate student at the School of Information Studies and you are looking for course "IST 753." In the "search box" type the subject "IST 753." You can narrow your search to Graduate programs only by checking the "Graduate" box and then click on "go".

WELCOME!

Welcome to Syracuse University's online course catalog. In this searchable resource you'll find detailed information about all of the schools, colleges, and hundreds of distinct degree programs offered by Syracuse University at every level, including descriptions of the faculty and related courses. You also will find descriptions of many special opportunities and entities that enhance academic life at SU, such as study abroad programs and centers for interdisciplinary learning.

Those of you already familiar with SU will find here the specifics that you seek and we invite those not yet familiar with us to explore the full breadth and depth of our academic offerings. Whatever your level of familiarity, we're sure that as you learn more about SU, you will find abundant reflections of our institutional vision to use our vast intellectual resources to transform the world for the better.

School of Education		Core Information
<p>Academic Offerings</p> <p>Courses</p> <p>Faculty</p> <p>Restrict Results</p> <p><input checked="" type="checkbox"/> Undergraduate</p> <p><input type="checkbox"/> Graduate</p>	<p>Douglas Biklen, Dean 230 Huntington Hall soe.syr.edu</p>  <p>Welcome to Syracuse University's School of Education, a national leader in inclusive urban education.</p> <p>The school offers a variety of degree programs in teaching and non-teaching areas. Many of these programs lead to initial teaching certification in New York State. Emphasizing a solid foundation in the liberal arts as well as education, each degree program accommodates the personal and professional needs of its students. Many of our faculty members hold dual appointments in the School of Education and another college within the University. The School of Education also offers numerous laboratory and field-based teaching experiences in cooperation with local school districts, community institutions, and on-and off-campus early childhood centers.</p> <p>There are no careers more critical to the human condition and sustainability than teaching, educational policy and the foundations of education, research in health and exercise science, counseling and instructional technology. Our undergraduate and graduate students as well as our faculty come from throughout the U.S. and from around the world.</p> <p>Our leadership in inclusive urban education is built on a legacy of pioneering work in advancing educational opportunities for all learners. By linking research to practice our community of scholars and innovators collaborate to lead nationally recognized centers and institutes and serve in leadership roles on national boards, research projects and international conferences and projects.</p> <p>Join us here at Syracuse University, take part in our centers abroad in London, Florence and Beijing or in our research and training projects in Asia, Australia, Latin America and Africa. Be a part of groundbreaking projects such as Say Yes to Education and Economic Development, Schools of Promise, Smart Kids, our Summer Literacy Clinic, and the Center on Human Policy, Law and Disability Studies as well as many other dynamic programs. Become part of the School of Education's mission to address issues and seek solutions that can define the future of teaching and leadership, higher education, health and exercise science, reading and language arts,</p>	<p>About the College</p> <p>Educational Mission</p> <p>Accreditation</p> <p>Undergraduate Education</p> <p>Student Services</p> <p>New York State Teacher Certification</p> <p>Career Services Office</p> <p>Study Abroad</p> <p>Facilities</p> <p>Research Centers & Institutes</p>

This search will show me all the different courses that the School of Education offers for the undergraduate program.
