Welcome to Handshake at SU

Handshake is the career platform used by Syracuse University and SUNY Environmental Science and Forestry students, staff and faculty.

The main uses of Handshake are:

- Career counseling
- Job/internship searches
- On campus student employment
- On campus interviews
- Workshops, immersion trips and information sessions
- Career Fairs and other career related events

The purpose of this space is to provide helpful information regarding our career platform, Handshake, to students, staff and faculty.
If you need any technical assistance, please email handshake@syr.edu.
