Welcome to Kaltura at Syracuse University!

Syracuse University has implemented Kaltura for Education, a leading video platform powering any video experience for any organization.

Log into your Syracuse University Kaltura account:

Log into Kaltura

This is the login for faculty, staff, and students looking to use the Kaltura web interface.

Kaltura functionality is also available within Blackboard courses for instructors and participants. Additional details are available on the Kaltura in Blackboard support page.

Online Teaching Support

Instructors seeking technical assistance and training should email help@syr.edu. For support in adapting your teaching strategies for online or hybrid instruction, please fill out the course transition assistance form or contact the Center for Teaching and Learning Excellence.
All active Syracuse University faculty, staff, and students have access to the Kaltura MediaSpace.

For instructions, tutorials, and how-to documentation related to the web interface, please refer to the Kaltura MediaSpace Answers page.

Additional Kaltura functionality is available within Blackboard course to promote teaching and learning.

For instructions, tutorials, and how-to documentation related to Kaltura in Blackboard, please refer to the Kaltura in Blackboard support page.
