

Welcome to Handshake!

Handshake is the career platform used by Syracuse University and SUNY Environmental Science and Forestry students, staff and faculty.

Handshake is used for:

- Career counseling
- Jobs and internships
- On campus student employment
- On campus interviews
- Workshops, immersion trips and information sessions
- Career Fairs and other career related events
- Internship Request Process

The purpose of this space is to provide helpful information regarding our career platform to students, staff and faculty.

If you need any technical assistance, please email handshake@syr.edu.
