

Listservs

Program Listservs are used to send communications to all students about events going on in the iSchool, workshops, registration, applying for graduation, etc. New students are added to their program listserv once they are matriculated, prior to the start of a semester or term. We have included the names of the listservs below, as well as how to subscribe and unsubscribe them as well.

To subscribe to a listserv, follow the directions below. All commands are sent to listserv@listserv.syr.edu. Leave the subject line blank. Note that it does not usually matter whether you use upper or lower case.

To Subscribe:

subscribe listname fullname

e.g., to subscribe to list ISTLIS and your name is Jane Doe:

subscribe ISTLIS Jane Doe

Upon graduation, please unsubscribe to all IST listservs to which you belong. To unsubscribe, follow the directions below. All commands are sent to listserv@listserv.syr.edu. Leave the subject line blank.

To Unsubscribe:

unsubscribe listname

e.g., to unsubscribe to list ISTLIS:

unsubscribe ISTLIS
