### Overview

- All Cascade developers, managers and administrators are encouraged to participate in this community and contribute to this space.
- Only members of the community can edit these pages. If you are part of the community and cannot edit this page, please contact Eric Mumpton at [emumpton@syr.edu](mailto:emumpton@syr.edu).
- **All information posted on his page is available to the public.**
- To edit, add or comment in this area, you must log into the Answers Wiki. The LOG IN link can be found in the upper right corner of this page.
- Meetings will be scheduled periodically and updated in the Events section below.

### List Servs

- A listserv has been established for this community called **SU-CASCADE-DEV**. You may subscribe to the list at any time by emailing the text "SUBSCRIBE SU-CASCADE-DEV" (in the body of your email) to [LISTSERV@LISTSERV.SYR.EDU](mailto:LISTSERV@LISTSERV.SYR.EDU).

- [Cascade Higher Ed listserv](#)

### Chatter

- A Chatter Group has been established for this community in the Syracuse University Salesforce Chatter environment. It is called **ITS-OP: Cascade UG**. You may self-join this Chatter Group at any time after you have enrolled in the Syracuse University Salesforce Chatter environment (contact the ITS Help Desk to information on how to enroll).

Please do not edit code above this line.
