University Councils and Committees Home

This space was created as a platform for various University councils and committees (UCC) at Syracuse University to create and host pages specific to their groups. It may be helpful to the campus community that there be a public-facing page describing the council/committee's scope with sub-pages (either public-facing or restricted) containing more detailed information.

University Councils and Committees' Pages

- Access and Inclusion Working Committee (AIWC)
- Accessibility ICT Policy Council (AICTPC)
- Disability Community Group (DCG)
- Educational Technologies Advisory Council (ETAC)
- Pronoun, Gender, and Preferred Name Advisory Council (PGPNAC)

Pages from other Councils and Committees on Answers

- Classroom Committee
- Technology Leadership Council (TLC)
