

Intra-University Transfers

Students currently attending Syracuse University who are interested in applying for an intra-University transfer (IUT) into the College of Visual and Performing Arts must meet the following requirements:

1. Admission is based upon the cumulative GPA and the portfolio, audition, or transfer intent questionnaire. Arts Education and Music Education students must also adhere to the School of Education requirements.
2. Submit a completed Application for Undergraduate Intra-University Transfer form, available for download on the [Office of the Registrar website](#), to [Hannah Nast](#) in the Office of Academic and Career Advising, 200 Crouse College.
3. Complete program-specific additional requirements as listed below.
4. **The following programs do not accept spring applicants:** Film (Department of Transmedia), Communications Design, Environmental and Interior Design, Fashion Design and Industrial and Interaction Design (School of Design); and all programs in the Setnor School of Music. The Department of Drama adheres to the dates and deadlines for incoming students (contact our admissions office for more information). Acceptance to these programs will require four or five years (Industrial Design) in VPA. This is non-negotiable as the degrees cannot be completed in less than their standard sequence.
5. **Effective immediately:** Computer Art and Animation (Department of Transmedia) and the associated minors, Animation and Visual Effects, and Computer Gaming, are closed. We still encourage applications but cannot guarantee acceptance.
