

Notifications - Answers Page Updates/Changes

Subscribe to daily updates for answers pages you follow. You will receive a daily email report summarizing all changes that you have permission to view. The email report replaces the notifications for every change made that could be cluttering email inboxes.

- [How to Edit Notification & Email Settings](#)

How to Watch a Page in Answers

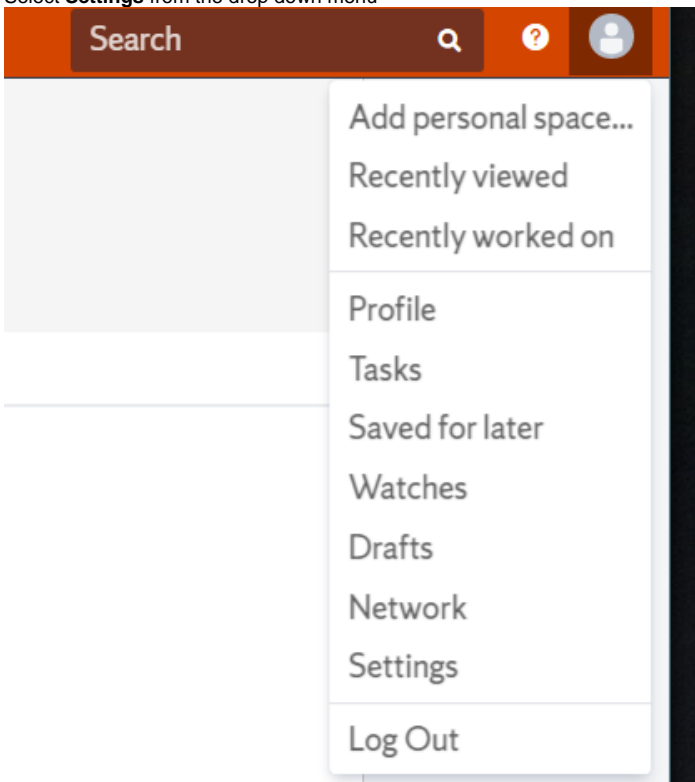

1. Navigate to the page you wish to "watch" or receive notifications for changes/updates
2. From the page, select **Watch** in the top right

3. Once selected, you are presented with two options. Select **Watch page** by default
Note: If you wish to watch all pages in the Answers space you currently have loaded, you may select the box to **watch all content in this space*

How to Edit Notification & Email Settings

1. Once logged into answers with your NETID and password, **click the profile/user pic** in the top right
2. Select **Settings** from the drop down menu

3. Select **Email** (on the left of page)
