

Center for Qualitative and Multi-Method Inquiry (CQMI)

CQMI Remote Lab

The Center for Qualitative and Multi-Method Inquiry aims to enhance faculty and student access to QDAS in Maxwell and across the SU campus.

The CQMI Remote Lab is presented with the support of the Moynihan Institute of Global Affairs and the Maxwell ICT team.

The CQMI Remote Lab currently holds 10 licenses to Atlas.ti (v9)

Only approved users may gain access to the CQMI Remote Lab. If you would like to use CQMI Remote Lab please follow the link below, complete the CQMI Remote Lab Access and Use Application. Your application will be reviewed and if approved you will receive further instruction via email.
