

Blackboard Archive/Export Clean-up Notification

Blackboard Archive/Export Clean-up Notification

On the morning of February 15, 2022, Blackboard sent an email to some users notifying them of "Changes in expiration date for course packages" and warnings of a 90-day or 30-day window for course package deletion. **This message does not apply to Syracuse University's Blackboard system at <http://blackboard.syracuse.edu>.**

If and when Syracuse University deletes courses or organizations from our Blackboard system, instructors and leaders will receive multiple on-campus communications about it. **Courses and organizations are not being removed from our system nor is content within them.**

Please email help@syr.edu or call 315-443-2677 if you have additional questions.
