

# Logging into your SU Handshake Employer Account

The following are instructions for logging into your employer account:

1. Visit [syr.joinhandshake.com](http://syr.joinhandshake.com)
2. Select the link under the blue SU login button, that says "sign in with your email address"

3. Enter your full Syracuse University email address

4. You may need to select a second link that says "or log in using your Handshake credentials"

5. Enter your su email address and Handshake password
6. You should be successfully logged into your Handshake employer account.

## **i** NOTE

Your Handshake password may not be the same as your netid password. Handshake requires a 12 character minimum. For instructions on how to reset your Handshake password, [please follow this link](#).
