## Topic Overview

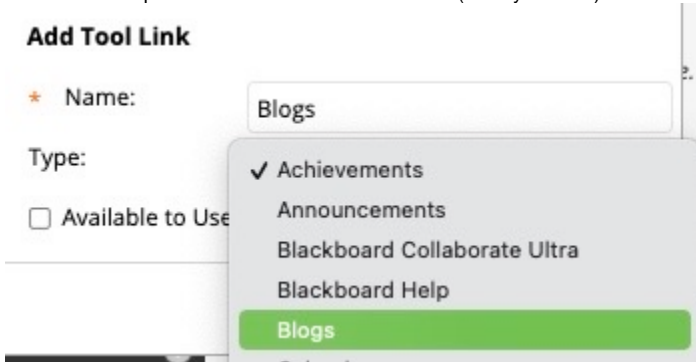

A Tool Link will create a menu item linking directly to the tool that you've selected. Available tools to link to include My Grades, Zoom, Announcements, Course Reserves, Blogs, Calendar, and many more. All of the tools listed behind the Tools button on the course menu can be added to the course menu as individual buttons.

## Steps

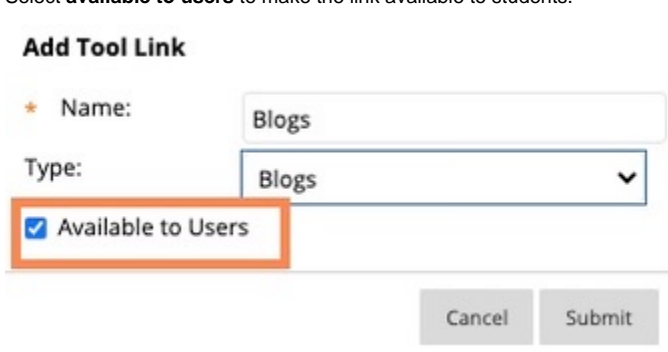

- Click on the **circle with the plus sign (+)** in the top of the Course Menu.
- Select **Tool Link**.

- Name the Tool link.
- Click on the drop-down arrow and **Select the Tool** (ex: My Grades).

- Select **available to users** to make the link available to students.

- Click **submit**.
