

Action Required: Syracuse University Identity Card (SUID)

Syracuse University ID Card

Every Syracuse University student should obtain a [Syracuse University Identity Card \(SU ID Card\)](#).

This card allows you to access academic buildings after hours, borrow books from the Syracuse University Libraries, and access Recreation facilities.

You are required to electronically submit your picture for your SU ID card. More detailed instructions on doing so can be found on the [SU ID Photo Submission Page](#). Before doing so, please ensure that your SUMail and NetID are active. Please submit your photo no later than June 15, 2022.

Departmental Composite Photos

The Department of Public Administration and International Affairs also prepares printed composite photographs prior to the fall semester. We will be taking these photos during the MPA Colloquium and the MAIR Orientation.
