## Topic Overview

When courses are created in the Blackboard system, the semester (term) code is appended to the five-digit course ID (e.g., 12345.1221). This allows us to keep track of the data that is being loaded into the system.

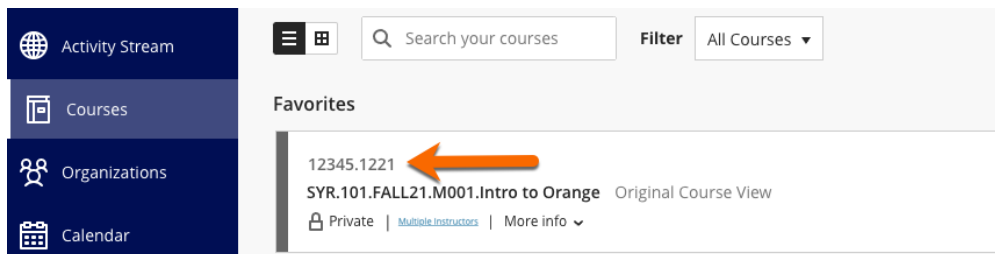

### Where is the semester (term) code?

For example:

On the Courses page, the course is listed with the Blackboard Course ID followed by the Course Name on the next line.

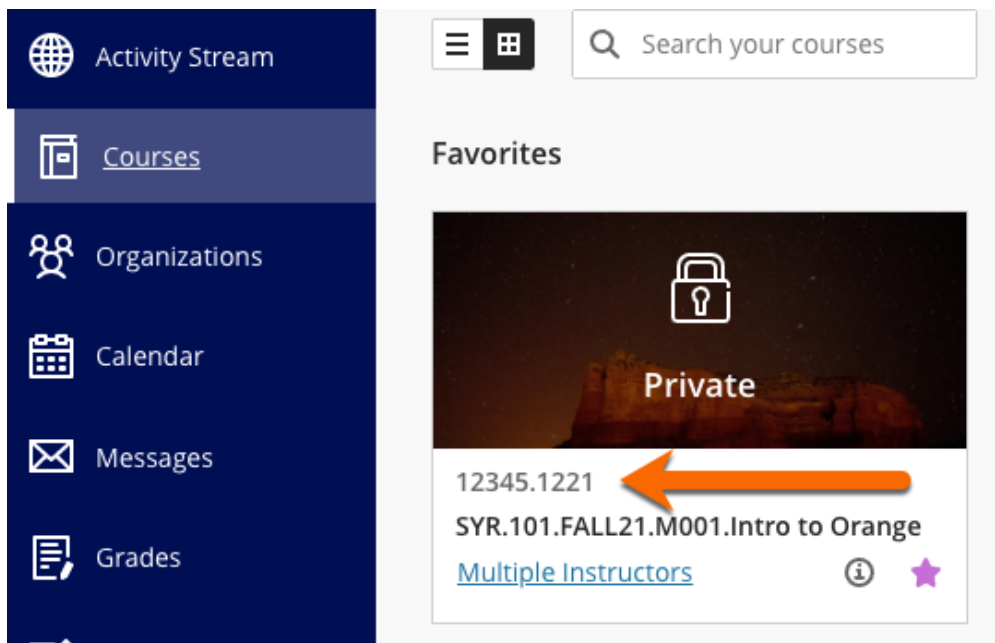

If the course is unavailable, it will say Private with the lock icon.

In Listed Form:

A screenshot of the Blackboard interface showing the 'Courses' page in 'Listed Form'. The left sidebar contains navigation options: Activity Stream, Courses, Organizations, and Calendar. The main content area has a search bar and a 'Filter' dropdown set to 'All Courses'. Below this is a 'Favorites' section. A course entry is shown with the ID '12345.1221' highlighted by an orange arrow. The course name is 'SYR.101.FALL21.M001.Intro to Orange' with a link to 'Original Course View'. Below the name, it says 'Private' with a lock icon, and links for 'Multiple Instructors' and 'More info'.

In Icon Form:

A screenshot of the Blackboard interface showing the 'Courses' page in 'Icon Form'. The left sidebar is the same as in the 'Listed Form' view. The main content area has a search bar. Below it is a 'Favorites' section. A course entry is shown with a large lock icon and the word 'Private' over a background image. Below this, the course ID '12345.1221' is highlighted by an orange arrow. The course name is 'SYR.101.FALL21.M001.Intro to Orange' with a link to 'Multiple Instructors'. There are also information and favorite icons.
