

Installation & Pricing

Network Wiring and Services offers installation and trouble-shooting for both the wired and wireless network.

Billing Information

Please note the following regarding information that may appear on your monthly telecommunications bill:

- There is a one time activation fee associated with new Ethernet connections. See Installation & Pricing below.
- Once connected, there are no monthly charges for standard Ethernet connections.
- There may be charges related to specialty circuits (fiber connections).

Installation & Activation Fees

Service	Cost	Survey
Ethernet Connection	\$200.00	No survey required
Wireless Access Point	\$800.00	Requires Site Survey
Voice / Data Cabling	Starts at \$125.00	Requires Site Survey

Additional information

- In order to place a request for service, please complete our [online Request for Service form](#).
- If you are unsure of what your department needs, we will be happy to perform a site survey.
- Installation requests and site surveys are usually scheduled within 3-5 business days.
- Please contact Shari Clubine at (315) 443-5197 or sclubine@syr.edu if you have any questions or concerns.
