Topic Overview

There may be courses shown on your Blackboard Course homepage that are from previous semesters that you would not like displayed. The following steps will show you how to hide past courses on your Blackboard.

Note: Students do not have the option to hide courses. For students, we recommend that you [favorite the courses](#) you want to be at the top of your list.

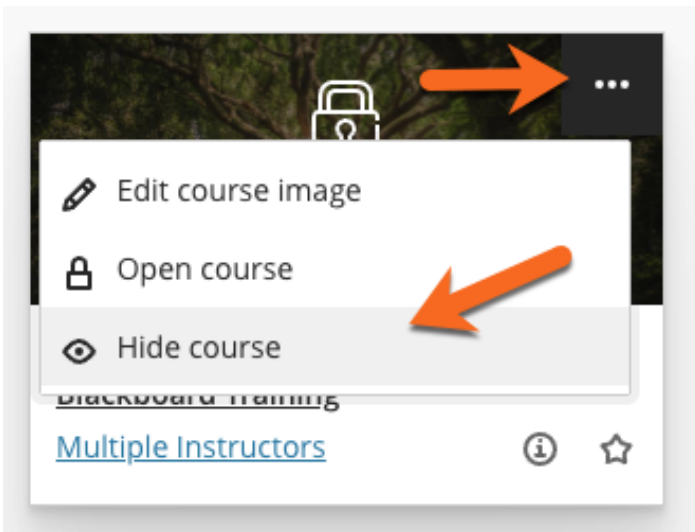

Steps

Select the **Courses** button on the left-hand side of your Blackboard page.

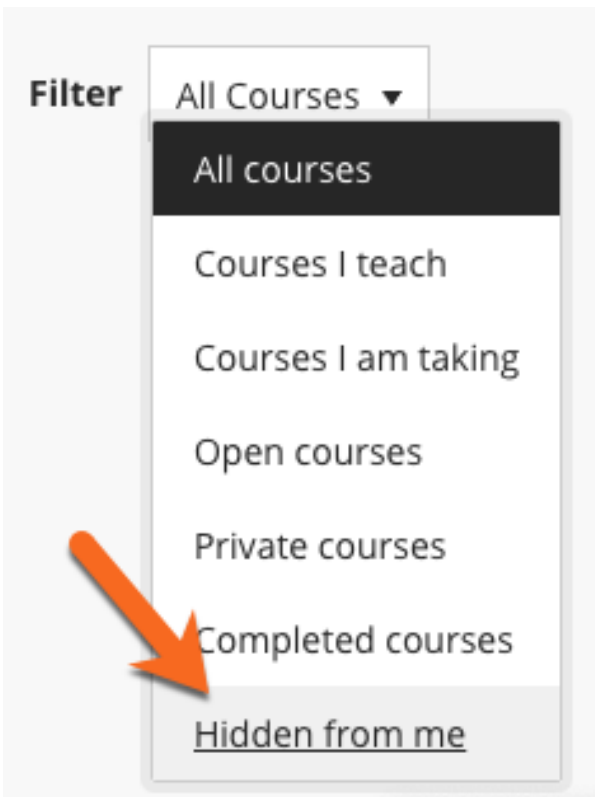

Find the course you want to hide.

- Select the three dots to the right of the title.
- In the drop-down menu, select **Hide course**.

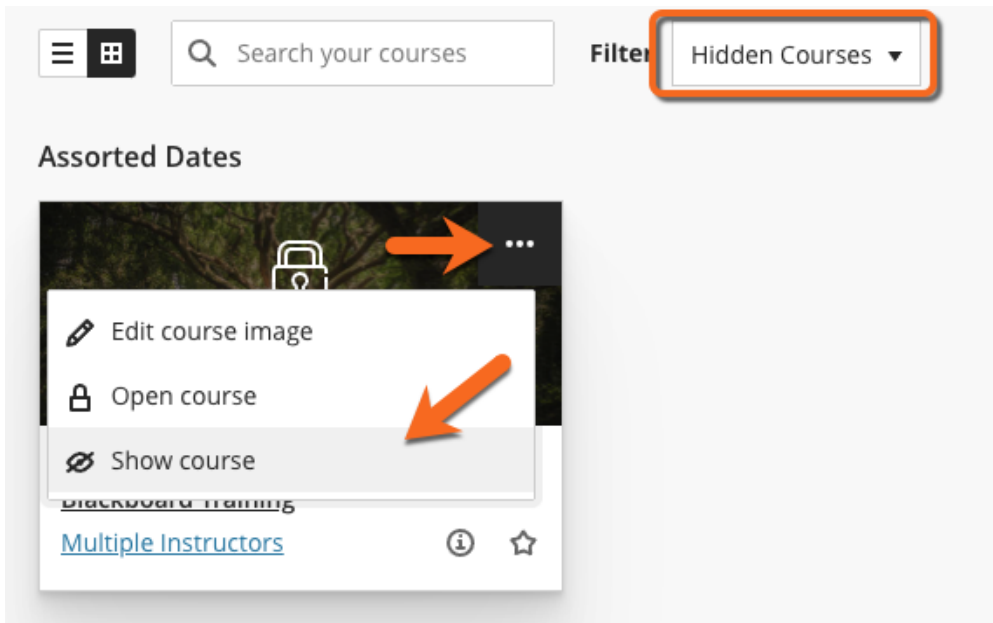

To unhide or see hidden courses, go to the Filter and select the dropdown menu. Go to **Hidden from me**.

You will see all of the courses hidden from you in this space.

- To unhide the course, select the three vertical dots next to the title and select **Show Course**.

The course should now show up under **Current Courses**.
