

Faculty and Staff Headshot Photography

A professional headshot is required for all new iSchool faculty and staff. This photograph is to be used on your iSchool website profile, the "People Wall" on the first floor of Hinds Hall, and all professional communications requiring a personal photograph.

It is recommended that you schedule an appointment to have your headshot taken within the first week of employment.

To schedule a headshot, please contact Ginger Lee Howlett (gldhowlet@syr.edu) at Syracuse University Photo and Imaging Center. The Photo and Imaging Center is located in the [Nancy Cantor Warehouse](#) accessible by [The Connective Corridor](#).
