Self-Service Copying

Self-service copiers are located in Bird library (**first, second, third and fourth floor**) and Carnegie library (**second and third floor**). The copy machines are able to [scan directly to an email address](#) or a [USB flash drive](#) free of charge. All copiers currently use Syracuse University's [PaperCut print management](#) system to pay for copies. Syracuse University **guests and visitors** are able to use their [guest printing accounts](#) to login and use the copiers.

Price

Price	8x11 (Letter)		11x17 (Tabloid)	
Black & White	\$0.04 per sheet		\$0.08 per sheet	
Color	\$0.25 single-sided	\$0.30 double-sided	\$0.50 single-sided	\$0.60 double-sided

How-to

Xerox Copy Machines

Login

Press the **Log In/Out** button, select **Alternate Login** and use your **netid** and **password** to login. **Guests**, use your guest printing account (**guest-your username**) and **password** to login.

For your security, **this machine will timeout after 3 minutes of inactivity.**

REMEMBER TO LOGOUT (press the **top-right corner button** with your **username**, select **Log Out**).
