GET - Managing Your Campus Money, Food & More

Welcome to the home page for GET at Syracuse University.

About GET
GET is a place where students (and parents/guardians) can manage the Cuse Cash funds, find places to eat and more. GET provides valuable information about account balances and spending history, and enables you to report a lost or stolen card at any time of day or night.

This option requires an immediate payment but offers parents and relatives the opportunity to add funds to their student’s account for immediate use.

Parents or other relatives wishing to add funds to their student’s account may do so using GET. Please click GET instructions for Parents to review instructions on how to add funds.

Summer Information
Students are unable to add funds during the summer hours using GET. Students are able to add funds to their accounts in person during the summer by stopping into 111 Waverly Avenue Suite 111 during university business hours.
